

NOVEMBER 2024

INDIAN LAKE ESTATES NEWSLETTER

PRESIDENT'S MESSAGE

November is considered the last month of Hurricane Season. Hurricane Milton made landfall October 11th in Florida as a Category 3 storm. Milton came through Indian Lake Estates as a Category 2 with recorded winds speeds between 93 to 102mph. Hurricane Milton devastated parts of Florida's West Coast. Indian Lake Estates sustained damage to several areas of our community fortunately there was no loss of life or damage on a scale of what happened elsewhere. Hopefully this is a reminder to stay prepared through the remainder of Hurricane Season.

I want to thank our Parkways Superintendent Tim Underwood and his crew for their rapid response getting to work clearing our roads and removing debris throughout Indian Lake Estates. Thanks to Danny Lunceford and his crew, with help from the Pro Shop, they helped to get the golf course open for play as quickly as they did. There is still a lot of work to be done, and it will be as quick as possible. Our business manager, Elizabeth Jewell, is working with our insurance company to file any claims and contacting vendors to make any immediate repairs that must be made. Please understand that this process takes time, but she will work diligently to get this done.

As a community we have several important meetings this month. November 7th at 7pm is the 2025 Budget Presentation. On November 12th at 7pm there is a Special Meeting to review the proposed changes to our By-laws. Eligible persons desiring to be a candidate to fill two vacancies on the Indian Lake Estates Board of Directors for 3-year terms must submit written notice to business office by 4pm on Tuesday November 19th. Please don't wait till the last minute so there will be time to review any questions that may arise. November 21st is the regular Board Meeting at 6pm.

There are many other scheduled activities and events in the month of November. Please check our official Facebook page, website, and bulletin boards for times and dates.

In closing November is the month when many of our friends and neighbors from up North return. We look forward to your arrival. Stay safe, have fun and enjoy all Indian Lake Estates has to offer. Hope to see you around.

ILE Library

What beautiful weather we are having. With the cooler nights you may be wondering how our librarians make sure the books stay warm. No worries, because we give them book jackets, All kidding aside, we welcome all of you: regulars and snowbirds to visit the ILE library. There you will find books for kids of every age, puzzles, movies, audio-books and so much more. We have an extensive, up-to-date, private library that is available to all members of I.L.E.

You may also be wondering what to buy for people on your list. Have you thought about a book? We have great prices on our duplicate and rare books that might be the perfect gift for your special someone. What about holiday cards? We have a plethora of holiday cards, and the prices are so cost effective that you can't afford to pass it by. All monetary donations go to buying more books for our library.

Have you been doing some Fall cleaning and would like to pass on items the library could use? We appreciate all your donations, and it is so easy to do so. There is a slot in the door for your convenience. You can drop items through the slot anytime. If your donation is larger, please feel free to contact me and I will be glad to meet you at the library at a time suitable for you.

The fall hours for the library are Mondays, Wednesdays, and Fridays from 10 am- noon. If you would like a tour of the library during off hours or would like to be part of our volunteers VIP Team, text Terri at 615-692-9837.

We need your help! The library has started collecting the soda tabs for the Ronald McDonald house. Look for locations throughout the club house or just place them in a plastic bag and then slide them in door slot if the library is not open. We appreciate your help.

The month of November will bring a lot of seasonal play. I like to Welcome everyone for what looks to be an exciting season.

I conferred with the Pro Shop manager, Robin Samson, and we decided to close November 4th for overseed. We will re-open November 18th. The overseed is an inconvenience that brings rewards throughout the Winter months. The time of Closure is subject to change if unexpected weather or major unseen problems occur.
