

APRIL 2025

INDIAN LAKE ESTATES NEWSLETTER

PRESIDENT'S MESSAGE

Greetings neighbors!

Well, April is here and Easter just around the corner. Hoping for some April showers to help our grass and plants grow and also reduce the dryness in our area.

We have quite a few exciting events coming up this month, including our potluck picnic with a cornhole tournament at the pavilion on April 5. We have karaoke twice a month at the 19th hole as well as other live entertainment. I encourage you to join our official Facebook page for updates on events as well as general community news.

We have various committees that you are all invited to participate in. We have an ILE resident, Stacy Harris, who is going to chair a committee to create a community garden within ILE. This is a very exciting project and we will need as many hands as possible to help get this off the ground. Please reach out to Stacy or any board member or stop by the office to express your interest. As with all committees, we promise to let you have a voice and leverage your experience to help in decision making for what's best for this community.

We continue to have success at the 19th hole in reducing the deficit. We've made changes to the menu, adjusted staffing, began decorating to give it more of a Golf theme and other changes. More to follow.

Our golf course continues to be very busy as the weather has very much cooperated. The course itself is an outstanding shape thanks to Danny and his crew and Robin for her excellent customer service skills in the Pro Shop.

We are still investigating use of a different material to 'zip' our roads to eliminate or significantly reduce the dust issue. This is still in the works and we will update as we finalize a solution.

A reminder-our business office will be open on Wednesdays until 6:30 PM weekly and also there will be two community dump days per month. Check our calendar on our Facebook page for the exact dates. Kudos to our office staff for providing this service to the community.

We'd also like to thank Betty Word for her generous donation of a military plaque that is now on display over the fireplace in our clubhouse. If you have not had a chance to see it, stop by and see it. It's a great photo opportunity as well as a tribute to all of our veterans in all of our armed forces.

As always, reach out to myself or any other board member for ideas, recommendations or suggestions or to volunteer for a committee. We have some tremendously good people in this community and we as a board proud to serve you.

Thanks for your support.

Bill

GOLF NEWS

Greetings

Spring is here by the Calendar and warm weather in afternoon like last year. The early warm weather and some other reasons. The Northern Guests seem to be heading back early. I am still happy to report sales are still above last year record breaking sales. The warm afternoons are causing transition from Overseed to Turf Grass quickly. The transition is going well with the foundation of Established Turf we enjoyed the last few years. The surrounding area of Players is picking up this will help Revenue for Summer Play. The afternoons are a great time to Play please use the discounted Golf. The Pro Shop is always coming up with Special Events. The New Website and Facebook will be a help to keep up with Specials.

Best Regards

Danny Lunceford

Current Course Condition:

- Danny Lunceford indicated that the course is holding up well despite the number of rounds being played.
- The B.O.D. will be purchasing a hydraulic lift for the maintenance shed this summer that is specific to golf course equipment.
- Upcoming summer projects include adding sand trap quality sand to the refurbished traps and working on drainage issues.
- There are currently no equipment or staffing issues.

Financial Status:

- Robin Samson indicated that her total revenue to date was about \$8,000 above last year at this time.
- She blames the small increase on the weather, Canopy Oaks mangement change and the exchange rate for the Canadian dollar.

Groups and Tournaments:

- The “Keep it Simple” tournament was not a rousing success with only 11 teams particapating. The two outside tournaments from Saddlebag and Lakeshore were also not well attended. Robin cited the same reasons as above. Betty Snyder said she thinks the reason the “Keep it Simple” tournament was not well attended is that outside “ringers” came inlast time and posted unbelievable scores(-19) and played off senior tees and therefore local mixed teams had no chance of competing. Robin said she would think about changes to make the tournament more equitable to all.
- Upcoming is the “Girls Just Want To Have Fun” 9 hole tournament on March 30th. She only has 3 slots left.
- On April 6th an outside group (Camp Lalanda) of about 40 golfers have booked a tournament. The course will remauin open to local play on that date.

Other Issues:

- Mike Snyder asked about the possible buyout of the beverage cart lease. Robin said she spoke with the business manager, Elizabeth Jewell, and found out that it was financed through a finance company and not directly through Yamaha therefore there is no recourse. Yamaha said if they heard of anyone wanting a beverage cart they would let us know.
- Meanwhile we were informed that the lease is being paid out of the clubhouse budget, not golf, which was somewhat reassuring as the golf committee had no input into the decision to obtain the cart.
- Danny was asked about the amount of moss on the trees. This was a concern of Edie Dearfield who could not atttend the meeting. Danny said his crew would work on it as time allows.

ATTENTION READERS: ILE LIBRARY WILL BE GETTING MORE THAN 6 MILLION NEW BOOKS STARTING APRIL 1, 2025. THIS IS NOT AN APRIL FOOLS JOKE!

How are we able to house such a large number of books, you may be wondering? The answer is that we are starting a new program with Lake Wales library in which you will be able to borrow from Lake Wales library but pick up and return here at ILE Library with extended read times. To learn more about this new program come by ILE library, talk to our librarians, and get a flyer with all the instructions.

National Library Week for 2025 will be celebrated Sunday, April 6th through Saturday, April 12th. The National Library chose the theme: "Drawn to the Library!" The idea behind this theme is that millions across the country are drawn to visit their local libraries because it is a space that continues to bring people together and brings focus toward works of art and literature.

Please let us, at the ILE library, be your place to reconnect with the written word, a place to reduce your stress, and a place to find something that inspires you. Many ILE residents are impressed with our top-notch, well-stocked library that has books, movies, puzzles and more. If you have never been, please let us introduce you. You will always be able to find something you didn't know you really need. I challenge you to stop by and find that something for you.

Also, many may not realize but everyone that works at the library is a volunteer. Nobody is making money; they just love books and fellow residents. Please come by and thank them for helping make this service available for all of us, especially during National Library Week!

COMING SOON! – The Lake Wales book mobile will be coming in June for summer reading. This is for readers of all ages however, if you have children and are looking for something to enhance your children's summer stop by for a flyer on our summer reading projects. They will be available starting in May. If you are homeschooling

and want some individual projects please email me at the number below.

The library's hours are Monday, Wednesday, and Friday from 10-12 or if you need a different time contact me at 615-692-9837 by text message and we can make arrangements for a time convenient for you.

We need your help! The library has started collecting the soda tabs for the Ronald McDonald House. Look for locations throughout the club house or place them in a plastic bag and slide them in the library book slot during off hours. Thank you so much for your support.
