

September 2026

Indian Lake Estates Newsletter

As we welcome September, I want to take a moment to thank everyone who has contributed to our berry-picking efforts. Thanks to your hard work and dedication, the program has been very successful and is generating much-needed revenue for our community. These are funds that help support projects and improvements that might not otherwise be possible. Every berry picked truly makes a difference, and I appreciate everyone who has stepped up to help.

This initiative is a great example of what we can accomplish when we work together. Let's keep the momentum going and make September another strong month by continuing to support the harvest and our community.

I'm also excited to share that our restaurant is now offering a Sunday Breakfast Buffet! I encourage everyone to come out, enjoy a great meal, and support one of our community's favorite gathering places. While you're there, be sure to check out the many specials, activities, and events taking place at both the restaurant and golf course. There is always something happening, and your participation helps keep these amenities thriving.

As we head into the fall and winter seasons, we have an exciting lineup of events planned for our community.

Our annual Murder Mystery Dinner has been a huge favorite over the years, and this year we're taking it to the Ballroom with a spectacular Roaring '20s theme. Tickets are available now, and I encourage you to purchase them early. It's sure to be an unforgettable evening of fun, laughter, and entertainment.

It's also time to start thinking about Halloween! We hope to see everyone get creative by decorating their trunks, golf carts, or side-by-sides for this year's festivities. This event is always a wonderful experience for our children and a great opportunity for neighbors to come together and celebrate.

Looking ahead, we will also be hosting our Christmas Bazaar in November, followed by our annual New Year's Eve Celebration. These events are highlights of the season and require many volunteers to make them successful. If you have some time to spare, we would greatly appreciate your help.

If you're interested in volunteering for any upcoming event, please reach out to me or Emily. Whether you can help for an hour or assist throughout an entire event, every contribution is valuable and appreciated.

Thank you to everyone who continues to volunteer, participate, and support our community. Your involvement is what makes this such a special place to live. I'm excited about all that lies ahead and look forward to seeing everyone out and about as we kick off another wonderful fall and winter season together.

Let's make September great and keep the momentum going!

JULIE ARBEAU

Board President

Updates from Board Meeting

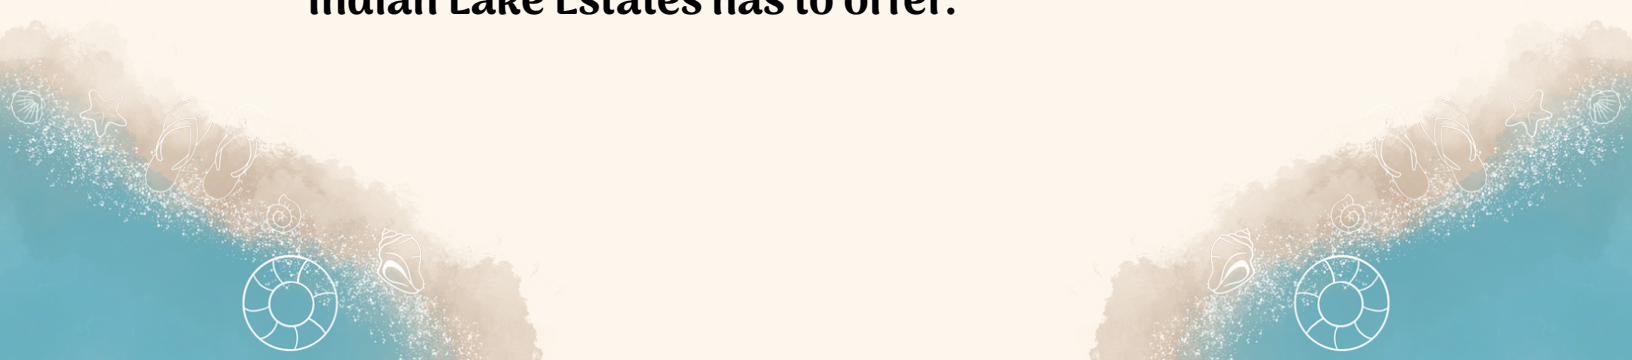

Welcome Our New Board Members

We are pleased to welcome Mike Snyder and Duane Tomaszweski to the Indian Lake Estates Board of Directors.

Both Mike and Duane bring an extensive business background and a wealth of professional experience to the Board. They have been appointed through the end of the year, and we are excited to have them join our leadership team. Please join us in welcoming Mike and Duane for their commitment to serving the Indian Lake Estates community.

Looking Ahead

As summer comes to a close, be sure to keep an eye on the community calendar and watch for announcements about upcoming events, activities, and gatherings. There are plenty of opportunities ahead to connect with neighbors and enjoy all that Indian Lake Estates has to offer.

Financial

Monthly financial reports are not available until the last week of the subsequent month. Depreciation costs are estimated based on the 2025 depreciation schedule.

Indian Lake Estates, Inc Operating Fund Income & Expense Budget vs Actual Summary	July Actual	July Budget	July YTD Actual	July YTD Budget	July YTD Budget Fav/(Unfav)	YTD % to Budget	July YTD 2025	2025 to 2026 Fav/(Unfav)

ILE Utility Office Update

Valve Replacement

Indian Lake Estates Utilities will continue scheduling valve replacements over the coming months. Our water distribution system is up to 70 years old and requires consistent maintenance to ensure reliable, quality service.

Properly functioning valves are essential for quickly shutting off small sections of the distribution system during water-break emergencies. To replace a valve, the closest valves must be turned off to isolate the flow of water.

Whenever a valve is turned off for any reason, the Florida Department of Health requires a Precautionary Boil Water Notice to be issued to affected homes.

ILEU will notify affected customers by email five days before scheduled valve replacements. This advance notice will allow customers ample time to plan for the temporary water outage and precautionary boil water notice.

Customers will receive a follow-up email from ILEU once the Florida Department of Health has confirmed that all required water samples are clear and the precautionary boil water notice has been lifted.

2027 Water Rate Study

Indian Lake Estates Utilities (ILEU) is currently conducting a rate study in partnership with the Florida Rural Water Association. The purpose of the study is to compare our current water usage rates with those of other water systems in the area.

As part of this process, customers can expect changes to the water usage ranges beginning in 2027. Currently, the residential base usage range is 0–7,500 gallons. For 2027, this range will be divided into smaller usage tiers to better reflect water consumption.

ILEU will provide additional information to all customers once the new rate structure has been finalized.

Call us to report water issues or request new service.

Work Order Requests

How to Report an Issue

If you notice a maintenance issue within the community, submitting a work order is easy. Residents can contact ILE using any of the following methods:

- Call or Text: 863-692-1433
- Email: office@ilefl.com
- Visit: Stop by the ILE office during business hours

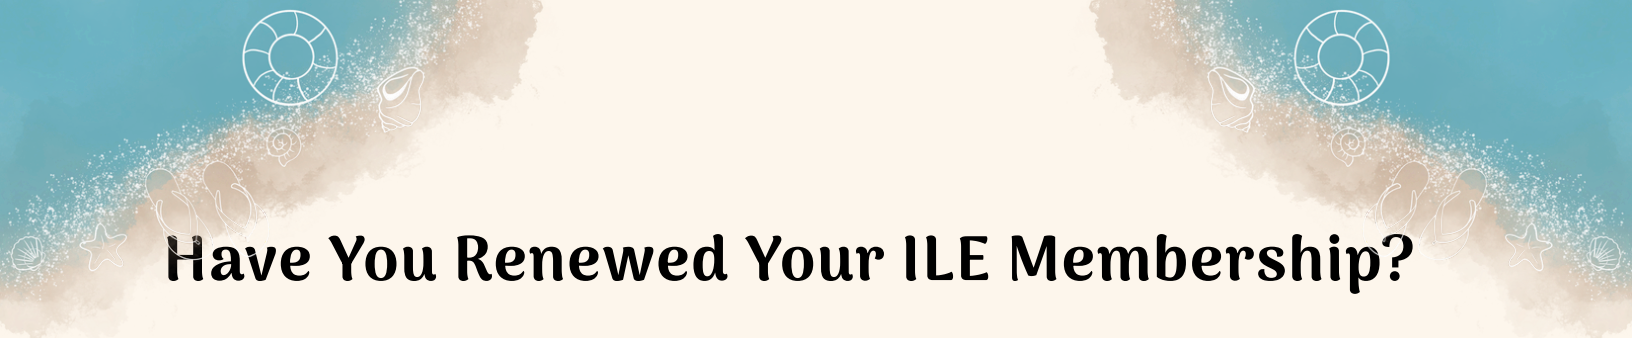

Common Work Order Requests

Residents may submit work orders for issues such as:

- Potholes and road maintenance concerns
- Downed trees obstructing roads
- Drainage ditch and culvert issues
- Damage to ILE amenities, including:
 - Pier
 - Pavilion
 - Restrooms
 - Sports courts
 - Other community facilities
-

By promptly reporting maintenance concerns, you help keep our community safe, attractive, and enjoyable for everyone.

Thank you for helping us maintain and improve our neighborhood!

Have You Renewed Your ILE Membership?

One of the best ways to support and strengthen the Indian Lake Estates community is by becoming an active ILE Member. Membership gives you a voice in shaping the future of our community and allows you to participate in important decisions that impact all property owners.

As an ILE Member, you can:

- **Vote for your Board of Directors**
- **Vote on the annual budget**
- **Help guide the continued growth and success of ILE**

To be eligible to vote at the December Annual Meeting, you must:

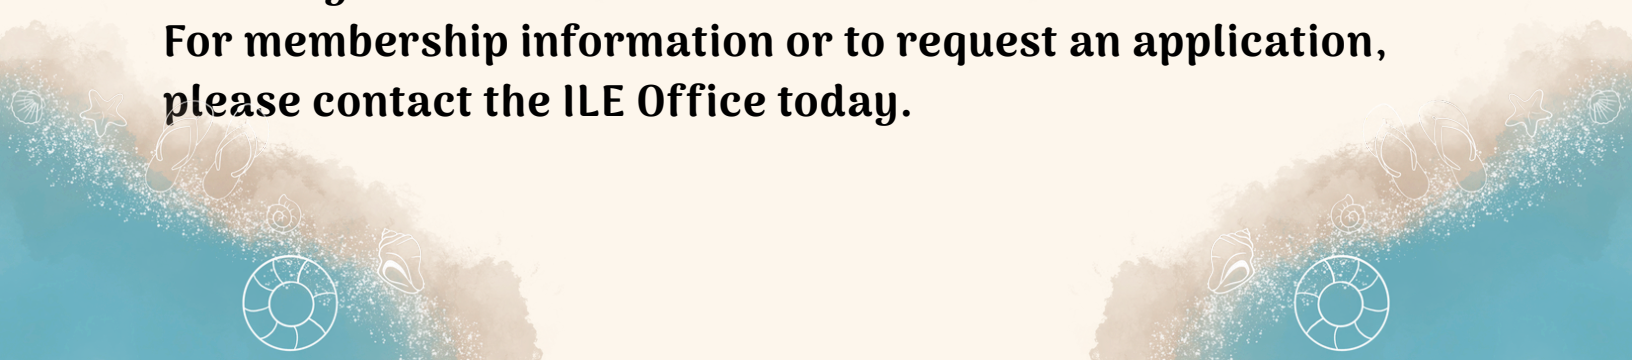

- 1. Be a current ILE Member.**
- 2. Have all maintenance fees paid and up to date.**

Not a member yet?

Joining is easy! Simply contact the ILE Office, and a membership application can be emailed directly to you.

Don't miss this opportunity to make your voice heard and help shape the future of Indian Lake Estates. Renew your membership, ensure your maintenance fees are current, and be ready to vote this December.

For membership information or to request an application, please contact the ILE Office today.

**WE WILL REOPEN ON
TUESDAY, SEPTEMBER 8TH AT 8:00 AM.**

HAVE A HAPPY AND SAFE HOLIDAY!

**IF YOU HAVE AN EMERGENCY
PLEASE CALL 866-473-2573.**

Library News

The Florida Bureau of Braille and Talking Book Library provides information and reading materials in Braille and recorded audio format to Florida residents who are unable to use standard print as the result of visual (legally blind, other eye problems), physically unable to hold a book (arthritis, stroke, accident), or reading disabilities.

Since 1950, the bureau has been designated by the Library of Congress, National Library Service for the Blind and Print Disabled (NLS), as the regional library for Florida. It was the first post-WWII regional library to be established, meeting the needs of blinded veterans. In addition, nine subregional libraries provide local services to residents of metropolitan areas. Reading materials are sent to and from customers via postage-free mail and all services are provided free.

The Florida Braille and Talking Book Library offers a wide range of services:

- Books are offered in braille and recorded formats for all ages and include bestsellers, classics, mysteries, biographies, westerns, poetry, history, and other subject areas commonly represented in public library collections. Materials are available in English and many other languages.
- Magazines are sent to customers on a subscription basis and include more than 100 popular titles such as "Southern Living" and "Sports Illustrated."
- Equipment needed for the service is loaned to customers by the Library, including digital players and accessories.
- Books are also accessible from the Braille and Audio Reading Download (BARD) service, offered by the National Library for the Blind and Print Disabled, Library of Congress. Books can be played using personal devices such as iPhones, iPods, Android devices, Victor Streams, and BrailleNotes.
- Catalogs are available to inform customers about new books and magazines added to the collection. Audio customers can access Talking Book Topics (TBT). TBT is published bi-monthly and lists the newest titles added to the collection, available through the regional library or the Braille and Audio Reading Download (BARD) service. Braille readers can find new material in the Braille Book Review (BBR).
- The Florida online public access catalog ("Flopac") can be used to order books. A complete NLS public catalog is also available to browse.
- Music materials, such as scores and musical textbooks in Braille and large print, are available directly from NLS.
- Print and audiovisual materials about blindness, disability, and rehabilitation are available for research and public education.
- Access to NFB-NEWSLINE across many devices. NFB-NEWSLINE is a free audio news service for anyone who is blind, low-vision, deafblind, or otherwise print disabled that offers access to more than 500 publications, including national and state newspapers, magazines, and breaking news sources. Patrons of the library can contact their reader advisor at 1-800-226-6075 to register.

Further information, including registration forms, can be found online at <https://dbs.fl DOE.org/Library/index.html> (click on 'APPLY FOR LIBRARY SERVICES'), by calling directly to 1-800-226-6075; TTY 711, or emailing OPAC_librarian@dbs.fl DOE.org.

Application forms can also be picked up at the ILE COMMUNITY LIBRARY and faxed to NLS at (386) 239-6069.

Open Monday, Wednesday & Friday 10am - 12 pm

ILE Security

Polk County Sheriff's Office: 863-298-6200
Polk County Animal Control: 863-499-2600

Anyone caught damaging ILE or personal property will be prosecuted to the full extent of the law

If you have any police emergency such as theft, burglary, suspicious vehicles or persons, you must contact the Sheriff's office directly and file a report. Contacting the ILE office will only delay response time and the office staff will not have the details to answer law enforcement questions. CAPS patrol is not permitted to approach suspicious individuals or complete house checks. If you are going away, we recommend you contact a friend or neighbor to keep an eye on your house.

COMMUNITY VOLUNTEERS WANTED

Polk County Sheriff's Citizen's Assisted Patrol (CAP)

Anyone entering or leaving ILE has likely seen the Polk County Sheriff's patrol car at the gatehouse. Sheriff Grady Judd has established a community watch program called Citizen's Assisted Patrol (CAP), which relies on thousands of volunteers across Polk County to serve as the eyes and ears of the Sheriff's Office.

The mission of CAP is to observe and report, allowing sworn deputies to focus on active patrol duties. CAP volunteers commit a few hours per week or month—on their own schedule—to patrol the community and watch for unusual activity such as illegal dumping, vandalism, or suspicious behavior.

Volunteers must complete an application, which is submitted to the Polk County Sheriff's Office. Applicants will undergo a background check and, if accepted, will receive training and uniforms at no cost. Snowbirds are especially encouraged to apply.

For more information or to request a CAP application, contact Frank Miller, ILE CAP Coordinator
f.miller.dir@ilefl.com

You may also visit polksheriff.org and click on Programs and Services.

Indian Lake Estates

from the 1960s vault...

Commemorating 30 years of service (1955-1985), captures a proud moment in the history of the Indian Lake Estates Volunteer Fire Department. These trucks stood ready to answer calls at all hours, serving and protecting neighbors, friends, and families throughout our community.

**Annual Indian Lake Yacht Club
Luau on the beach**

Members and guest of the Indian Lake Yacht Club enjoyed the annual Luau on the beach with good food, good fellowship and a good program by community volunteers.

Indian Lake Estates Office

Golf

Greetings,

August has been an exceptionally hot month, and I would like to thank all our patrons who braved the heat and came out to play. Your continued support of the golf course is greatly appreciated. Recently, while the General Manager and I were conducting a course tour, a patron asked whether we could maintain the course's current condition throughout the winter season. The short answer is yes. As we move into the cooler months and begin our overseeding program, course conditions are expected to improve even further. In fact, the golf course has continued to show steady improvement with each passing year. Despite operating with a limited staff, our team has done an outstanding job maintaining the course and providing an enjoyable playing experience for our golfers.

With the continued support and cooperation of the General Manager and the Board of Directors, we anticipate further improvements as golf course revenue grows. Additional staffing and infrastructure enhancements will be implemented as revenue allows, ensuring responsible growth while avoiding an unnecessary financial burden on the community.

The future of the golf course is bright, and I look forward to what we can accomplish together as we continue working toward a common goal: providing the best possible golf experience for our residents and guests.

Best Regards,

Danny Lunceford

Golf Course Superintendent

Beautification Committee Meeting

Thursday, September 10th
7:00 pm
Terrace Room

Do you enjoy spending time outdoors?
Have a passion for planting flowers and
beautifying your community?

The Beautification Committee is seeking
volunteers to help revitalize and create new
flower beds throughout Indian Lake Estates.

Volunteer opportunities include:
Maintaining and enhancing flower beds
Sharing knowledge of native plants &
Florida-friendly landscaping
Making a positive impact in our community

If you're interested in volunteering or
donating flowers, please text Ms. Barb @
937-418-5613

Join us & help make ILE bloom!
