Procedure for Asking Questions

Now is the time to hear from our community. We welcome your comments which are very important to us. Raise your hand if you would like to speak. When called upon, stand, state your name and address your comments to the board as a whole, not to individuals. Courtesy is appreciated. Comments are welcome on specific agenda items. You may only speak to that specific item, NO other business. Each speaker is limited to 3 minutes. Note that we will not be entering into dialogue at this time. The purpose of this agenda item is for YOU, the public, to inform US, the board, about your views. If you have specific factual questions or complaints, please hold those until the conclusion of the meeting and we will stay and address your issues. Demonstrations (clapping, cheering, booing) are not allowed. They disrupt the meeting and inhibit free speech rights. We appreciate your coming to this meeting.
Thank you for attending and sharing your thoughts with us.
